

Addendum # 1
Bid # 2010-03
One (1) to Three (3) Refuse Container Trucks

Attention All Bidders,

The original publication for Bid number 2010-03 printed in the Carlsbad Current-Argus newspaper on February 9, 2010 incorrectly stated that the City of Carlsbad was seeking to solicit bids for Three (3) Refuse Container Trucks. The correct phrasing should have stated that the City was soliciting bids for a range of One (1) to Three (3) Refuse Container Trucks.

We are interested in obtaining bid prices for single units that may be purchased from the winning bidder for up to but not exceeding three (3) trucks.

We may purchase three, however depending on budgetary considerations; the City may elect to purchase less than three units, depending on available funds.

If you have any questions regarding this addendum, please do not hesitate to contact me.

Please sign and date this copy and return with your bid documents to acknowledge that you have received the addendum and understand the information provided.

Thank you,
