

Late and Reconnect Fee Notice for Utilities

Effective August 25, 2015, the Board of Water and Sewer Commissioners and the Carlsbad City Council approved increasing the Late and Reconnect Fees as follows:

Late fee will increase from \$10.00 to **\$25.00**. This amount will be charged on any utility bill that is not paid by the end of the month following the invoice date.

Example: Invoice dated August 31, 2015, must be paid by September 30, 2015, to avoid the late fee.

Reconnect fee will increase from \$10.00 to **\$50.00**. This amount will be charged on any utility account that has been submitted to the Utilities Department for termination of service due to non-payment.

If an account has been submitted to the Utilities Department for termination of service due to non-payment, the \$25 late fee, the \$50 reconnect fee, the delinquent bill, and the current bill will have to be paid in full before service will be restored.
