

Statement from Carlsbad Mayor Dale Janway
1-24-17

Over the past weekend, Mr. Doporto made a statement on his personal Facebook page which he said he intended to be a joke. Mr. Doporto has served as a member of city council for the past six years. Like all Americans, Mr. Doporto has a right to free speech, and may express any opinion he chooses, joking or otherwise. However, the views expressed by Mr. Doporto, even as a joke, are in no way reflective of my views, or the views of the City of Carlsbad, or the views of its residents. We want to stress that the City of Carlsbad does not, in any way, condone domestic violence or disrespect toward women.
