City Solid Waste Vehicle Involved in Accident

A City of Carlsbad Commercial Solid Waste Vehicle was involved in an accident at around 7 a.m. May 25 at the intersection of Orchard Lane and North Canal Street, City of Carlsbad Deputy Administrator Michael Hernandez announced.

The accident involved a vehicle hitting a communication line near the intersection, which knocked out power in the vicinity. Utility companies are on scene working to restore services. There were no injuries reported.

An investigation into the accident is ongoing.
