

Freedom Isn't Free

“Purchase a Post”

Dear Carlsbad Citizens, Businesses, and Organizations August 5, 2014

The Carlsbad Veterans Memorial Park is moving forward to construct a fence around the Park to improve the security of the static displays within the Park. Motorists have driven within the Park boundaries disturbing the turf and could easily impact and damage one of the beautiful displays.

The fence is a square post and chain design. This design permits mounting an approximate business card size metal placard near the top of the 4' post, engraved with a name: family, veteran, organization, or other designation.

All citizens, families, veterans, organizations, and businesses have the unique opportunity to “Purchase a Post” and have their name engraved and secured on the Post.

Approximately 114 posts will encircle the Park with a 13' chain between 12' separated posts.

The cost of the post purchase is \$75 which includes the placement of the post and the engraving and securing of the metal plaque.

If families are interested in purchasing more than one post, we can reserve adjacent posts in order that the family's post are located together.

Interested folks can send a \$75 check to the Carlsbad Foundation, memo “Purchase a Post”. Indicate the words etched on the plaque, 3 lines and 16-18 characters per line.

If you have any questions, contact Joe Epstein, 361-5325, jlepstein@bajabb.com .
